

**HAMPSHIRE CHILDREN'S FUND
BETTER FUTURES**

Thank you for Coming!

to our 'Better Futures event' 2006

We loved having you there and hope that you enjoyed it too!

The feedback has been good, despite the weather and the tight squeeze to get us all into groups! But it was really worth it as the questions from young people were challenging; and we will be posting them on the website next week for you all to see...

It was great to have so many young people attend, and we are so grateful if you made the extra efforts to bring them. They were very patient during what must have been a long day...

We hope they enjoyed it too and we will continue to represent their views across the county.

If your young superhero deserves a medal let us know why and we'll incorporate this into our future celebrations

Special thanks to our speakers, Pam Robinson & John Coughlan and our brilliant Question time panel. Thanks too to Waitrose, SureStart Havant, and Glyn Wright's Peer Mentoring for our **BIG** breakfast!

All your feedback from this event and via our Local Partnership Groups, will contribute to the development of services over the final years of Children's Fund, as we move forward to better futures in Hampshire. See you again soon
